1. Pray that God would deliver us from pride, division, worldly desires, "man-pleasing" attitude, etc., ...which remains as an obstacle for Revival!

3. Pray a prayer of repentance for not praying with burden for lost souls and for not reaching out to the lost with passion!
4. Pray a prayer of repentance to God for being selfish and for not being committed to church life and other members in the church!
5. Pray a prayer of repentance for not praying for other churches and ministries in our locality and being selfish (praying only for your church) and for not functioning with a "Kingdom" mindset!
6. Let's ask God to forgive us, if we have remained unfaithful in the area of GIVING to Him!
7. If you have done His ministry with a passive & lethargic attitude, ask God to forgive you. Ask God to forgive you if you have been narrow minded and not been mission-minded!
8. If you have spoken unfitting words against anyone or any denomination or any Christian leader ask God to forgive you!
9. Let us repent from wicked sinful ways (if there is any in our lives), which hurts the Body of Christ and brings shame to His Name!
10. Pray a prayer of repentance for not praying for the nation and its governing leaders, as much as we should! Also commit and make a covenant with God, to pray hereafter for the nation and its leaders!
